Instructions for Recipient

Distributions from a health savings account (HSA), Archer medical savings account (MSA), or Medicare Advantage (MA) MSA are reported to you on Form 1099-SA. File Form 8853 or Form 8889 with your Form 1040 or 1040-SR to report a distribution from these accounts even if the distribution isn't taxable. The payer isn't required to compute the taxable amount of any distribution.

An HSA or Archer MSA distribution isn't taxable if you used it to pay qualified medical expenses of the account holder or eligible family member or you rolled it over. An HSA may be rolled over to another HSA; an Archer MSA may be rolled over to another Archer MSA or an HSA. An MA MSA isn't taxable if you used it to pay qualified medical expenses of the account holder only. If you didn't use the distribution from an HSA, Archer MSA, or MA MSA to pay for qualified medical expenses, or in the case of an HSA or Archer MSA, you didn't roll it over, you must include the distribution in your income (see Form 8853 or Form 8889). Also, you may owe a penalty.

You may repay a mistaken distribution from an HSA no later than the due date of the tax return (not including extensions) following the first year you knew or should have known the distribution was a mistake, providing the trustee allows the repayment.

For more information, see the Instructions for Form 8853 and the Instructions for Form 8889. Also see Pub. 969.

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete identification number to the IRS.

Spouse beneficiary. If you inherited an Archer MSA or MA MSA because of the death of your spouse, special rules apply. See the Instructions for Form 8853. If you inherited an HSA because of the death of your spouse, see the Instructions for Form 8889.

Estate beneficiary. If the HSA, Archer MSA, or MA MSA account holder dies and the estate is the beneficiary, the fair market value (FMV) of the account on the date of death is includible in the account holder's gross income. Report the amount on the account holder's final income tax return.

Nonspouse beneficiary. If you inherited the HSA, Archer MSA, or MA MSA from someone who wasn't your spouse, you must report as income on your tax return the FMV of the account as of the date of death. Report the FMV on your tax return for the year the account owner died even if you received the distribution from the account in a later year. See the Instructions for Form 8853 or the Instructions for Form 8889. Any earnings on the account after the date of death (box 1 minus box 4 of Form 1099-SA) are taxable. Include the earnings on the "Other income" line of your tax return.

Account number. May show an account or other unique number the payer assigned to distinguish your account.

Box 1. Shows the amount received this year. The amount may have been a direct payment to the medical service provider or distributed to you.

Box 2. Shows the earnings on any excess contributions you withdrew from an HSA or Archer MSA by the due date of your income tax return. If you withdrew the excess, plus any earnings, by the due date of your income tax return (including extensions), you must include the earnings in your income in the year you received the distribution even if you used it to pay qualified medical expenses. This amount is included in box 1. Include the earnings on the "Other income" line of your tax return. An excise tax of 6% for each tax year is imposed on you for excess individual and employer contributions that remain in the account. See Form 5329, Additional Taxes on Qualified Plans (Including IRAs) and Other Tax-Favored Accounts.

Box 3. These codes identify the distribution you received: 1—Normal distribution; 2—Excess contributions; 3—Disability; 4—Death distribution other than code 6; 5—Prohibited transaction; 6—Death distribution after year of death to a nonspouse beneficiary.

Box 4. If the account holder died, shows the FMV of the account on the date of death.

Box 5. Shows the type of account that is reported on this Form 1099-SA.

You can get the General Instructions for Certain Information Returns at [IRS.gov/1099GeneralInstructions](https://www.irs.gov/1099GeneralInstructions).

Reminders

In addition to these specific instructions, you should also use the current General Instructions for Certain Information Returns. Those general instructions include information about the following topics.

- Who must file.
- When and where to file.
- Electronic reporting.
- Corrected and void returns.
- Statements to recipients.
- Taxpayer identification numbers (TINs).
- Backup withholding.
- Penalties.
- Other general topics.

Continuous-use form and instructions. Form 1099-SA and its instructions are continuous use. Both the form and instructions will be updated as needed. For the most recent version, go to [IRS.gov/Form1099SA](https://www.irs.gov/Form1099SA).

E-filing returns. The Taxpayer First Act of 2019 authorized the Department of the Treasury and the IRS to issue regulations that reduce the 250-return e-file threshold. T.D. 9972, published February 23, 2023, lowered the e-file threshold to 10 (calculated by aggregating all information returns), effective for information returns required to be filed on or after January 1, 2024. Go to [IRS.gov/IRIS](https://www.irs.gov/IRIS) for e-file information.

Online fillable forms. Due to the very low volume of paper Forms 1099-SA and 5498-SA received and processed by the IRS each year, these forms have been converted to an online fillable format. You may fill out the forms, found online at [IRS.gov/Form1099SA](https://www.irs.gov/Form1099SA) and [IRS.gov/Form5498SA](https://www.irs.gov/Form5498SA), and send Copy B to the recipient.

For Forms 1099-SA and 5498-SA only, if due to a low volume of recipients, you are filing the form(s) on paper, you can send in the black-and-white Copy(ies) A with a Form 1096 that you also printed from the IRS website.

Specific Instructions for Form 1099-SA

File Form 1099-SA, Distributions From an HSA, Archer MSA, or Medicare Advantage MSA, to report distributions made from a health savings account (HSA), Archer medical savings account (Archer MSA), or Medicare Advantage MSA (MA MSA). The distribution may have been paid directly to a medical service provider or to the account holder. A separate return must be filed for each plan type.

Transfers

Do not report a trustee-to-trustee transfer from one Archer MSA or MA MSA to another Archer MSA or MA MSA, from an Archer MSA to an HSA, or from one HSA to another HSA. For reporting purposes, contributions and rollovers do not include transfers.

HSA Mistaken Distributions

If amounts were distributed during the year from an HSA because of a mistake of fact due to reasonable cause, the account beneficiary may repay the mistaken distribution no later than the due date of the tax return (not counting extensions) following the first year the account beneficiary knew or should have known the distribution was a mistake. For example, the account beneficiary reasonably, but mistakenly, believed that an expense was a qualified medical expense and was reimbursed for that expense from the HSA. The account beneficiary then repays the mistaken distribution to the HSA.

Under these circumstances, the mistaken distribution is not included in gross income, is not subject to the additional 20% tax, and the repayment is not subject to the excise tax on excess contributions. Do not treat the repayment as a contribution on Form 5498-SA, HSA, Archer MSA, or Medicare Advantage MSA Information.

As the trustee or custodian, you do not have to allow beneficiaries to return a mistaken distribution to the HSA. However, if you do allow the return of the mistaken distribution, you may rely on the account beneficiary's statement that the distribution was in fact a mistake. See Notice 2004-50, 2004-33 I.R.B. 196, Q&A 76, available at [IRS.gov/irb/2004-33_IRB#NOT-2004-50](https://www.irs.gov/irb/2004-33_IRB#NOT-2004-50). Do not report the mistaken distribution on Form 1099-SA. Correct any filed Form 1099-SA with the IRS and the account beneficiary as soon as you become aware of the error. See Corrected Returns

on Paper Forms *in the current General Instructions for Certain Information Returns for more information.*

HSA Closure Under the USA PATRIOT Act

If an HSA is closed at any time by the HSA trustee or custodian due to a failure of the participant to satisfy the Customer Identification Program requirements described in section 326 of the USA PATRIOT Act, the distribution from the HSA must be reported.

If a regular contribution is made to the HSA that is closed, and a distribution is made to the participant, enter the gross distribution in box 1. If no earnings are distributed, enter zero in box 2. If earnings are distributed, enter the amount of earnings in box 2. Enter code 2 in box 3. See the instructions for boxes 1 through 3, later.

In addition, Form 5498-SA must be filed to report any rollover (qualified HSA funding distributions (trustee-to-trustee transfers from an individual retirement arrangement (IRA) to an HSA under section 408(d)(9))) contributions to the HSA subsequently closed by the trustee or custodian. See the [Specific Instructions for Form 5498-SA](#), later.

Death of Account Holder

Archer MSAs and MA MSAs. When the account holder dies and the designated beneficiary is the surviving spouse, the following apply.

- The spouse becomes the account holder of the Archer MSA.
- An MA MSA is treated as an Archer MSA of the spouse for distribution purposes.
- Distributions from these accounts are subject to the rules that apply to Archer MSAs.

If the designated beneficiary is not the spouse or there is no named beneficiary, the account ceases to be an MSA as of the date of death and the fair market value (FMV) on that date is reported.

If there is more than one recipient, the FMV should be allocated among them, as appropriate.

If the beneficiary is the estate, enter the estate's name and TIN in place of the recipient's on the form.

Distribution in year of death. If you learn of the account holder's death and make a distribution to the beneficiary in the year of death, issue a Form 1099-SA and enter in:

- Box 1, the gross distribution;
- Box 3, code 4 (see [Box 3. Distribution Code](#), later); and
- Box 4, the FMV of the account on the date of death.

Distribution after year of death. If you learn of the death of the account holder and make a distribution after the year of death, issue a Form 1099-SA in the year you learned of the death of the account holder. Enter in:

- Box 1, the gross distribution;
- Box 3, one of the following codes (see [Box 3. Distribution Code](#), later):
 - 1—If the beneficiary is the spouse,
 - 4—If the beneficiary is the estate, or
 - 6—If the beneficiary is not the spouse or estate; and
- Box 4, the FMV of the account on the date of death, reduced by any payments from the HSA made for the

decedent's qualified medical expenses, if paid within 1 year after death.

HSAs. When the account holder dies, the following applies.

- If the designated beneficiary is the surviving spouse, the spouse becomes the account holder of the HSA.
- If the designated beneficiary is not the surviving spouse, the account ceases to be an HSA on the date of the account holder's death. The FMV of the account as of the date of death is required to be reported in box 4. Follow the rules and coding above under *Distribution in year of death* and *Distribution after year of death*.

Statements to Recipients

If you are required to file Form 1099-SA, you must provide a statement to the recipient. For more information about the requirement to furnish a Form 1099-SA or acceptable substitute statement to recipients, see part M in the current General Instructions for Certain Information Returns.

Truncating Recipient's TIN on Payee Statements

Pursuant to Regulations section 301.6109-4, all filers of this form may truncate a recipient's TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)) on payee statements. Truncation is not allowed on any documents the filer files with the IRS. A trustee's/payer's TIN may not be truncated on any form. See part J in the current General Instructions for Certain Information Returns.

Account Number

The account number is required if you have multiple accounts for a recipient for whom you are filing more than one Form 1099-SA. Additionally, the IRS encourages you to designate an account number for all Forms 1099-SA that you file. See part L in the current General Instructions for Certain Information Returns.

Box 1. Gross Distribution

Enter the total amount of the distribution. Include any earnings separately reported in box 2. You are not required to determine the taxable amount of a distribution. Do not report a negative amount in box 1. Do not report the withdrawal of excess employer contributions (and the earnings on them) returned to an employer as a distribution from an employee's HSA. Do not report excess MA MSA contributions returned to the Secretary of Health and Human Services or their representative.

Box 2. Earnings on Excess Contributions

Enter the total earnings distributed with any excess HSA or Archer MSA contributions returned by the due date of the account holder's tax return. Include this amount in box 1. Report earnings on other distributions only in box 1.

For HSAs and Archer MSAs, if you are reporting earnings on a distribution of excess contributions, use the method under Regulations section 1.408-11 for calculating the net income attributable to IRA contributions that are distributed as a returned contribution. If the amount in box 2 includes earnings on excess contributions, enter distribution code 2 in box 3.

Box 3. Distribution Code

Enter the appropriate distribution code from the following list that shows the type of distribution.

Distribution Codes for Distributions From HSAs, Archer MSAs, and Medicare Advantage MSAs

1—Normal distributions	Use this code for normal distributions to the account holder and any direct payments to a medical service provider. Use this code if no other code applies. Also, see Distribution after year of death , earlier.
2—Excess contributions	Use this code for distributions of excess HSA or Archer MSA contributions to the account holder.
3—Disability	Use this code if you made distributions after the account holder was disabled (see section 72(m)(7)).
4—Death distribution other than code 6	Use this code for payments to a decedent's estate in the year of death. Also use this code for payments to an estate after the year of death. Do not use with code 6. See Death of Account Holder , earlier.
5—Prohibited transaction	See sections 220(e)(2) and 223(e)(2).
6—Death distribution after year of death to a nonspouse beneficiary	Use this code for payments to a decedent's nonspouse beneficiary, other than an estate, after the year of death. Do not use with code 4.

Box 4. FMV on Date of Death

Enter the FMV of the account on the date of death. See [Death of Account Holder](#), earlier.

Box 5. Checkbox

Check the box to indicate if this distribution was from an HSA, Archer MSA, or MA MSA.

Specific Instructions for Form 5498-SA

File Form 5498-SA, HSA, Archer MSA, or Medicare Advantage MSA Information, with the IRS on or before June 1, 2026, for each person for whom you maintained a health savings account (HSA), Archer medical savings account (Archer MSA), or Medicare Advantage MSA (MA MSA) during 2025. You are required to file if you are the trustee or custodian of an HSA, Archer MSA, or MA MSA. A separate form is required for each type of plan.

For HSA or Archer MSA contributions made between January 1, 2026, and April 15, 2026, you should obtain the participant's designation of the year for which the contributions are made.

For repayment of a mistaken distribution amount, see [HSA Mistaken Distributions](#), earlier. Do not treat the repayment as a contribution on Form 5498-SA.

Rollovers

You must report the receipt of a rollover from one Archer MSA to another Archer MSA, and the receipt of a rollover from an Archer MSA or an HSA to an HSA in box 4.

Transfers

Do not report a trustee-to-trustee transfer from one Archer MSA or MA MSA to another Archer MSA or MA MSA, from an Archer MSA to an HSA, or from one HSA to another HSA. For reporting purposes, contributions and rollovers do not include these transfers. However, see [Box 2](#), later, for the reporting of a trustee-to-trustee transfer from an IRA to an HSA.

Total Distribution, No Contributions

Generally, if a total distribution was made from an HSA or Archer MSA during the year and no contributions were made for that year, you need not file Form 5498-SA nor furnish a statement to the participant to reflect that the fair market value (FMV) on December 31 was zero.

Death of Account Holder

In the year an HSA, Archer MSA, or MA MSA owner dies, you must generally file a Form 5498-SA and furnish a statement for the decedent. If the designated beneficiary is the surviving spouse, the following apply.

- The spouse becomes the account holder of the HSA or Archer MSA.
- An MA MSA is treated as an Archer MSA of the spouse for distribution purposes, but no new contributions may be made to the account.

If the designated beneficiary is not the spouse or there is no designated beneficiary, the account ceases to be an HSA, Archer MSA, or MA MSA.

Statements to Participants

If you are required to file Form 5498-SA, you must provide a statement to the participant (generally Copy B) by June 1, 2026. You may, but you are not required to, provide the participant with a statement of the December 31, 2025, FMV of the participant's account by February 2, 2026. For more information about statements to participants, see part M in the current General Instructions for Certain Information Returns.

If you furnished a statement of the FMV of the account to the participant by February 2, 2026, and no reportable contributions, including rollovers, were made for 2025, you need not furnish another statement (or Form 5498-SA) to the participant to report zero contributions. However, you must file Form 5498-SA with the IRS by June 1, 2026, to report the December 31, 2025, FMV of the account.

If you do not furnish another statement to the participant because no reportable contributions were made for the year, the statement of the FMV of the account must contain a legend designating which information is being furnished to the IRS.

Truncating Participant's TIN on Payee Statements

Pursuant to Regulations section 301.6109-4, all filers of this form may truncate a participant's TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)) on payee statements. Truncation is not allowed on any documents the filer files with the IRS. A trustee's TIN may not be truncated on any form. See part J in the current General Instructions for Certain Information Returns.

Account Number

The account number is required if you have multiple accounts for a recipient for whom you are filing more than one Form 5498-SA. Additionally, the IRS encourages you to designate an account number for all Forms 5498-SA that you file. See part L in the current General Instructions for Certain Information Returns.
