1. Enter the amount of self-employment income reported on Form 43, line 11 (business income), line 17 (farm income), line 16 (income from partnerships) and line 7 (wages from an S corporation paid to a more-than-2% shareholder) _____

Line 24 Penalty on Early Withdrawal of Savings

Line 25 Other Deductions

You may qualify for an Idaho deduction if you claimed any of the following items on federal Schedule 1, lines 10 or 11 relating to:

- Reservists
- Performing artists
- Fee-based government officials
- Educator expenses
- A write-in deduction for rental of personal property
- Reforestation amortization and expenses*
- Attorney fees and court costs
- Jury duty pay

Divide the amount of income relating to that item included in Idaho total income by the income relating to the item included in federal adjusted gross income. This percentage is multiplied by the deduction claimed on your federal return to calculate the deduction allowed on your Idaho return. For example, divide Idaho jury pay included in Idaho total income by total jury pay included in federal adjusted gross income to arrive at a percentage (can't exceed 100%). Multiply that percentage by the amount of the jury pay claimed as a deduction on your federal return. Repeat this step for each of the deductions mentioned above.

Total the result for each deduction and enter the amount on line 25. Include a copy of your calculations with your return.

*If there's no income from the related timber operations for the year of the reforestation deduction, the deduction for reforestation is based on the percentage of property in Idaho to total property the reforestation amortization and expense relates to.

Line 28 Adjusted Gross Income

Column A: This must be the same amount of Adjusted Gross Income as reported on your federal Form 1040 or 1040-SR, line 8b.

Column B: This is Idaho Adjusted Gross Income. Enter the amount from line 27.

If your Idaho Adjusted Gross Income is negative, see Idaho Form 56 and instructions.

Line 31 Qualified Business Income Deduction

Enter the portion of the amount from federal Form 1040 or 1040-SR, line 10, that's related to Idaho-source income.

Tax Computation

Line 33a Age 65 or Older

If you're 65 or older, check the box for "Yourself." If you're filing a joint return and your spouse is 65 or older, check the box for "Spouse." If your 65th birthday was on January 1, 2020, you may consider yourself 65 on December 31, 2019. The boxes you check must match your federal return.

Line 33b Blind

Check the box for "Yourself" if you're blind. If you're filing a joint return and your spouse is blind, check the box for "Spouse." The boxes you check must match your federal return.

Line 33c Claimed Dependent

Check this box if someone else, such as a parent, can claim you as a dependent.

Lines 34-37 Itemized or Standard Deductions

Most people can find their standard deduction by looking at the instructions to the left of Form 43, line 37. Use the Standard Deduction Worksheet on page 20 to calculate your standard deduction if:

- You check any boxes on lines 33a through 33c or
- Someone can claim you or your spouse, if filing jointly, as a dependent

You can use either your federal itemized deductions or standard deduction, whichever benefits you more. (For exceptions, see **You Must Itemize If.**)

Idaho requires that state or local income or general sales taxes shown on federal Schedule A be subtracted from your total itemized amount before you use this figure to reduce your income. Because of this add back, it may be more beneficial to itemize for federal purposes but use the standard deduction for Idaho.

If you use federal Schedule A to itemize, use the following instructions for line 35:

- If federal Schedule A, line 5d, is:
 - \$10,000 or less (\$5,000 if married filing separately), enter the amount from federal Schedule A, line 5a
 - More than \$10,000 (\$5,000 if married filing separately), subtract line 5b from line 5e and enter the amount here. Enter zero for any result less than zero

If the IRS considers you or your spouse nonresident aliens and you aren't from India, your standard deduction is zero. If you're nonresident aliens from India, use the standard deduction for your filing status.

Federal Foreign Tax Credit

If you claim the federal foreign tax credit, Idaho allows that amount as a deduction. Idaho doesn't have a credit that matches the federal foreign tax credit.

Add the amount you claimed for the federal foreign tax credit to your Idaho itemized deductions.

If line 36 is more than line 37, use your itemized deductions on line 36. If line 37 is more than line 36, use your standard deduction on line 37.

You Must Itemize If:

- You're married filing a separate return (filing status 3) and your spouse itemizes
- You were a nonresident alien for any part of 2019

You don't have to itemize if you file a joint return with your spouse who was a U.S. citizen or resident at the end of 2019 and you and your spouse agree to be taxed on your combined worldwide income.

Standard Deduction Worksheet

Use this worksheet if you or your spouse were born before January 2, 1955; or were blind.

6. Add lines 4 and 5. Enter the total here and on Form 43, line 37 _____

***Earned income** includes wages, salaries, tips, professional fees and other compensation received for personal services you performed. It also includes any amount received as a scholarship that you must include in your income. See **Gross Income** in **General Information**. Generally, your earned income is the total of the amounts you reported on federal Form 1040 or 1040-SR.

Line 39 Idaho Percentage

Divide the amount from line 32, Column B, by the amount from line 32, Column A. Round to four digits to the right of the decimal point. For example .66666 is rounded to .6667 and is entered as 66.67%. The percentage can't exceed 100% or be less than zero.

Line 42 Tax

Enter the tax on this line. If line 41 is less than \$100,000, use the **tax tables** beginning on page 52. If line 41 is \$100,000 or more, use the **tax rate schedules** on page 63. Be sure you use the correct

column in the tax table or the correct schedule for your filing status. See the example at the beginning of the tax table.

If you don't meet the filing requirement (see page 2) and are filing only to receive a refund of withheld taxes, write "NRF" (Not Required to File) on this line.

Credits

Line 43 Income Tax Paid to Other States

Nonresidents don't qualify for this credit.

Use Form 39NR, Part C, to compute the credit. You must include a copy of the other state's income tax return and Form 39NR. If the credit applies to more than one state, use a separate Form 39NR for each state.

Idaho resident on active military duty: Use Form 39NR, Part D to compute the credit.

- Be your dependent

- Have lived with you for more than half of the year

If you don't have a qualifying child, you can't claim the credit.

The noncustodial parent may claim the child if:

- A court has unconditionally awarded, in writing, the noncustodial parent the child tax credit or
- The custodial parent signs a written declaration that the noncustodial parent can claim the child for the child tax credit

The noncustodial parent must include a copy of the court order or the written declaration with their income tax return.
