2017 Schedule KS Instructions

Shareholder's use of information provided on Schedule KS

Purpose of Schedule KS

Schedule KS is a supplemental schedule provided by the S corporation to its shareholders. The shareholders need this information to complete a *Minnesota Individual Income Tax Return*, Form M1.

A shareholder who is a Minnesota resident will be taxed by Minnesota on all of his or her distributive income from the S corporation even if the income is apportioned between Minnesota and other states. A nonresident shareholder will be taxed on the Minnesota distributive income from the S corporation.

These instructions are intended to help you report your share of the S corporation's income, credits and modifications on your Minnesota return.

You must include Schedule KS when you file your Form M1. If you do not include the schedule with your return as required, the department will disallow any credits and assess the tax or reduce your refund.

If you received an amended Schedule KS from the S corporation and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return*.

Line Instructions

Include amounts on the appropriate lines as shown on Schedule KS. Be sure to read the following line instructions for additional information.

Nonresident individuals — if any information is reported to you on line 7 of Schedule KS, file Form M1AR with your Minnesota income tax return.

Resident individuals — if information is reported to you on line 7, retain a copy of this schedule for your records for the entire period that you, or an entity you have an interest in is receiving installment sale payments. If you become a non-resident in a future year while payments are being made you are required to file Form M1AR with your final resident tax return.

Line 15 — Enterprise Zone Credit

Include on line 4 of Schedule M1B. To claim this credit, you *must* include this schedule with Form M1.

Line 20 — Minnesota Source Gross Income

Minnesota source gross income is used to determine if a nonresident is required to file a Minnesota income tax return. Gross income is income before business or rental deductions and does not include losses.

If your 2017 Minnesota source gross income is \$10,400 or more and you did not elect composite filing, you are required to file Form M1 and Schedule M1NR, *Nonresidents/Part-Year Residents*.

If your 2017 Minnesota source gross income is less than 10,400 and you had Minnesota tax withheld (see line 33), file Form M1 and Schedule M1NR to receive a refund.

Lines 21–30 — Minnesota Portion of Federal Amounts

Lines 21–30 apply to nonresident shareholders. All income of a Minnesota resident is assigned to Minnesota, regardless of the source.

If certain items are not entirely included in your federal adjusted gross income because of passive activity loss limitations, capital loss limitations, section 179 limitations or for other reasons, include only the amounts that you included in your federal adjusted gross income.

Include the amounts from lines 21–30 on the corresponding lines in column B of Schedule M1NR.

Lines 32–34 — Composite Income Tax and Nonresident Withholding

Although Minnesota source gross income (line 20) determines whether you must file a Minnesota return, your Minnesota source distributive income is ultimately taxed.

Lines 32–34 were used to determine your share of the S corporation’s Minnesota source distributive income. You may need to refer to these amounts when you file your home state’s income tax return.

If you are required to pay Minnesota tax on your Minnesota source distributive income, the S corporation is required to withhold tax, unless you elect to have the S corporation pay composite tax to Minnesota on your behalf. If you elected for the S corporation to pay composite tax, you are not required to file Form M1.

Line 32. Your Minnesota source distributive income is considered your Minnesota taxable income from this S corporation.

If there is an amount on line 33 for Minnesota income tax was withheld, you must include your Minnesota source distributive income from line 32 on Schedule M1W, line 7, column B.

Line 33. If you elected composite income tax, the amount paid on your behalf equals 9.85 percent of your Minnesota taxable income on line 32, minus your share of any credits on lines 12-15. You are not required to file Form M1.

Line 34. If you did not elect composite income tax, the S corporation may be required to withhold tax from your Minnesota source distributive income. The amount withheld equals 9.85 percent of your Minnesota taxable income on line 32, minus your share of any credits on lines 12-15.

To claim nonresident withholding when you file your Form M1, include the amount from Schedule KS, line 34 on Schedule M1W, line 7, column C. Also include the amount from Schedule KS, line 32 on Schedule M1W, line 7, column B. You must include this schedule when you file your return.
