Attach this form and a complete copy of your federal return to your SC1040. Check the Schedule NR box on the front of SC1040. Do not submit Schedule NR separately. Your return cannot be processed if this form is submitted separately.

Things you should know before you begin:

- Use Schedule NR if you are a nonresident or filing as a part-year resident.
- Check the **Schedule NR** box on the front of the SC1040.

The references to form numbers and line descriptions on federal Income Tax forms were correct at the time of printing. If they have changed, and you are unable to determine the proper line to use, contact the SCDOR Individual Income Tax section at **1-844-898-8542** or **IITax@dor.sc.gov**. Qualified retirement income is income from plans defined in IRC 401, 403, 408, and 457 and all public employee retirement plans of the federal, state, and local governments, including individual retirement plans, Keogh plans, and military retirement.

Any portion of qualified retirement income received this tax year that resulted in a federal premature withdrawal penalty does not qualify for a retirement deduction.

The retirement deduction is reduced by any military retirement deduction taken.

Line 35d through line 35f: Military retirement deduction for South Carolina residents

An individual with military retirement income included in their South Carolina taxable income may take a deduction up to the amount of military retirement income. Taxpayers filing a joint return must calculate the deduction separately for each spouse based on each individual's age, retirement income, and earned income. Reduce the retirement deduction (line 35a through line 35c) and the age 65 and older deduction (line 36a and line 36b) by the amount of the military retirement deduction taken.

Retirement income means taxable income received by the taxpayer or the taxpayer's surviving spouse from a qualified military retirement plan. Income that is subject to a penalty for premature distribution does not qualify as retirement income. For a surviving spouse, retirement income includes a retirement benefit plan and dependent indemnity compensation received due to the deceased spouse's military services.

Retirement benefits received for service in the National Guard or Reserves, due to inactive time, are subtracted on line 41 and are not included in taxable income. Do not include these amounts in the deduction on line 35.

Line 35d: Include military retirement income related to the taxpayer's military service.

Line 35e: Include military retirement income related to the spouse's military service.

Line 35f: Include military retirement income received on behalf of a deceased spouse's military service. Apply the deduction in the same manner that it applied to the deceased spouse.

The surviving spouse military retirement deduction is in addition to any retirement deductions claimed on the taxpayer's own retirement income.

Military retirement deduction: Under age 65

For 2019, the military retirement deduction is limited to \$14,600 for taxpayers under the age of 65. Taxpayers must have other earned income in addition to the military retirement. South Carolina earned income is income you receive from services you provide.

Earned income includes	Earned income does not include
wages salaries tips commissions sub-pay self-employment income business income or loss partnership income or loss farm income or loss	gambling winnings bingo winnings interest dividends Social Security benefits IRA distributions retirement plan or annuity benefits unemployment compensation deferred compensation any amount your spouse paid you

Taxpayers under the age of 65 with military retirement income but no earned income are only eligible for the retirement deduction on line 35a or line 35b.

Example 1: A taxpayer under the age of 65 has military retirement income of \$5,000 and earned income of \$4,000. The taxpayer's military retirement deduction is \$4,000.

Example 2: A taxpayer under the age of 65 has military retirement income of \$4,000 and earned income of \$0. The taxpayer **does not** qualify for the military retirement deduction since there is no earned income. The taxpayer would qualify for the \$3,000 retirement deduction on line 35.

Example 3: A taxpayer under the age of 65 has military retirement income of \$11,000, retirement income from other sources of \$12,000, and earned income of \$13,000. The taxpayer's military retirement deduction is \$11,000.

Individual taxpayers are allowed one retirement deduction for all retirement income whether military or other retirement. Surviving spouse benefits are calculated separately.

Military retirement deduction: Age 65 and older

For 2019 the deduction is limited to \$27,000 for individual taxpayers age 65 and older. There is no requirement for other earned income. See examples in the instructions for line 36 (age 65 and older deduction).

Line 36: Age 65 and older deduction for South Carolina residents

If you are a resident of South Carolina for at least part of the year and reach the age of 65 during the tax year, you are entitled to a deduction of \$15,000 against any South Carolina income.

Line 36a applies to the taxpayer whose name appears first on the return.

Line 36b applies to the spouse whose name appears second on the return.

Reduce the age 65 and older deduction claimed on line 36a and line 36b by:

- any individual retirement deduction claimed on line 35a and line 35b, and
- any military retirement deduction claimed on line 35d and line 35e.

Claiming a surviving spouse retirement deduction on line 35c or line 35f does not reduce the age 65 and over deduction for a taxpayer on line 36a or line 36b.

Worksheet for taxpayer (line 36a)	
1. Age 65 and older deduction amount	1. <u> \$15,000 </u>
2. Retirement income deduction (line 35a)	2. <u> </u>
3. Military retirement income deduction (line 35d)	3. <u> </u>
4. Deduction available (add line 2 and line 3, then subtract the total from line 1. If less than zero, enter zero) Enter on line 36a	4. <u> </u>

Worksheet for spouse (line 36b)	
1. Age 65 and older deduction amount	1. <u> \$15,000 </u>
2. Retirement income deduction (line 35b)	2. <u> </u>
3. Military retirement income deduction (line 35e)	3. <u> </u>
4. Deduction available (add line 2 and line 3, then subtract the total from line 1. If less than zero, enter zero) Enter on line 36b	4. <u> </u>

Assume for all examples that taxpayers are residents and have income to qualify for the age 65 and older deduction in addition to the retirement deductions.

Example 1: A taxpayer age 65 and older has no military or other sourced retirement income on lines 35a or 35d. The taxpayer is eligible for a deduction of \$15,000 on line 36a.

Example 2: A taxpayer age 65 and older has no military retirement income but other sourced retirement of \$14,000. The taxpayer is allowed a deduction of \$10,000 on line 35a and a deduction of \$5,000 on line 36a.

Example 3: A taxpayer age 65 and older has military retirement income of \$13,000 and is allowed a deduction on line 35d of \$13,000. The taxpayer is allowed a deduction of \$2,000 on line 36a. The maximum allowed deduction for 2019 is \$15,000.

Example 4: A taxpayer age 65 and older has military retirement income of \$30,000. The taxpayer is eligible for a military retirement deduction of \$27,000 on 35d. The taxpayer is not allowed an additional amount on line 36a. The maximum retirement deduction for military retirement for taxpayers age 65 or older is \$27,000 for 2019. See instructions for military retirement.

Example 5: A taxpayer age 65 and older has military retirement income of \$16,000, and other sourced retirement income of \$8,000. The taxpayer is allowed a deduction on line 35d of \$16,000. The taxpayer is not allowed an additional amount on line 36a.

Line 37: Dependents under six years of age

If you are a resident for at least part of the year, a deduction is allowed for each dependent claimed on your federal Income Tax return who had **not** reached the age of six by December 31 of the tax year. Furnish the birthdates and Social Security Numbers in the available blanks. If additional space is needed, attach a separate sheet with the requested information. Use the following worksheet to compute the deduction:

Worksheet for dependent under age 6	
1. South Carolina dependent exemption amount	1. <u> \$4,190 </u>
2. Number of dependents claimed on your 2019 federal return who had not reached age six during the tax year	2. <u> </u>
3. Allowable deduction, (multiply line 1 by line 2). Enter on line 37	3. <u> </u>

Line 38: Contributions to the SC College Investment Program (Future Scholar) or to the SC Tuition Prepayment Program

You may deduct 100% of any contributions to the SC College Investment Program made between January 1, 2019 and April 15, 2020. You may deduct 100% of any contributions to the SC Tuition Prepayment Program made between January 1, 2019 and December 31, 2019.

Line 39: Active trade or business income

Enter the amount from I-335, line 5. Find forms at dor.sc.gov/forms

Line 40: Consumer protection services

An individual may deduct the costs of a monthly or annual contract or subscription for identity theft protection and resolution services. The deduction is only for individuals who filed a return with the SCDOR for a tax year between 1998 and 2012 or whose personal identifiable information was included on another's return. The deduction may not be claimed for an individual who deducted the same actual costs as a business expense.

The deduction is limited to:

- \$300 for an individual taxpayer
- \$1,000 for a married filing joint return
- \$1,000 for a return claiming dependents

Identity theft protection includes products and services designed to prevent an incident of identify fraud or identity theft. It protects the disclosure of a person's personal identifying information (for example your SSN) by preventing a third party from gaining unauthorized acquisition of another's personal identifying information to obtain financial resources or other products, benefits, or services.

Identity theft resolution services include products and services designed to assist persons whose personal identifying information was obtained by a third party. This results in minimizing the effects of the identity fraud or identity theft incident and restoring the person's identity to pre-theft status.

Line 41: Other subtractions

Enter on line 41, Column B, any other deductions for which there is no line provided. These deductions are allowable only if the corresponding income is reported in Column B.

Some examples of items which may be subtracted on this line are:

- income for Reserve or National Guard received for weekend drills and customary training periods
- subsistence allowances for:
 - law enforcement officers
 - full-time firefighters,
 - full-time emergency medical service personnel
- volunteer deduction for:
 - volunteer firefighter
 - volunteer rescue squad members
 - HAZMAT members
 - reserve police officers
 - DNR deputy enforcement officers
 - State Guard members

Line 43: Total South Carolina adjustments

Line 45: Proration

Divide line 31, Column B, by line 31, Column A. Enter the result on line 45. Round to the second decimal.

Line 46: Deduction adjustment**Part I**

If you itemized deductions on your federal return, enter the total itemized deductions on line 46, Part I.

If you did not itemize deductions on your federal return, enter the standard deduction on line 46, Part I.

Part II

If you itemized your deductions on your federal Income Tax return and deducted state and local Income Tax or general Sales Tax, you may be required to subtract all or part of this amount from your total federal itemized deductions when computing your South Carolina taxable income.

The new federal law limits your total deduction for state and local income, sales, and property taxes to a combined, total deduction of \$10,000 (\$5,000 if married filing separate). Any state and local taxes paid above this amount cannot be deducted on your federal return.

In determining the state tax adjustment for a taxpayer whose tax deduction is limited to \$10,000, you may first apply real or personal Property Taxes reported on federal Schedule A, lines 5b and 5c before applying state and local Income Taxes or general Sales Taxes reported on federal Schedule A, line 5a.

The state tax adjustment required for South Carolina is the lesser of your:

- (a) itemized deductions in excess of the standard deduction that would have been allowed if you had used the standard deduction for federal Income Tax purposes;
- (b) state and local Income Taxes or general Sales Taxes from your Federal 1040, Schedule A, line 5a; or
- (c) the \$10,000 federal tax deduction limit minus deductible Property Taxes.

Use the worksheet below to compute the state tax adjustment on the Schedule NR. Do not submit the worksheet. Keep the worksheet with your tax records.

Social Security Privacy Act Disclosure

It is mandatory that you provide your Social Security Number on this tax form if you are an individual taxpayer. 42 U.S.C. 405(c)(2)(C)(i) permits a state to use an individual's Social Security Number as means of identification in administration of any tax. SC Regulation 117-201 mandates that any person required to make a return to the SCDOR must provide identifying numbers, as prescribed, for securing proper identification. Your Social Security Number is used for identification purposes.

The Family Privacy Protection Act

Under the Family Privacy Protection Act, the collection of personal information from citizens by the SCDOR is limited to the information necessary for the SCDOR to fulfill its statutory duties. In most instances, once this information is collected by the SCDOR, it is protected by law from public disclosure. In those situations where public disclosure is not prohibited, the Family Privacy Protection Act prevents such information from being used by third parties for commercial solicitation purposes.
