2020 Form 140X - Standard Deduction Increase for Charitable Contributions

You must complete this worksheet if you are taking an increased standard deduction for charitable contributions. Include the completed worksheet with your tax return, when filed. If you do not include the completed worksheet, your standard deduction will not be increased.

Taxpayers electing to take the Standard Deduction may *increase* the standard deduction amount by 25% (.25) of the total amount of the taxpayer's charitable deductions that would have been allowed if the taxpayer elected to claim itemized deductions on the Arizona tax return.

Charitable contributions (lines 1C, 2C, and 3C) are those gifts allowed on federal Form 1040 Schedule A (Gifts to Charity) that you would have claimed had you elected to take itemized deductions on your federal return.

NOTE 1: A **part-year resident** taxpayer may only include those charitable contributions that are incurred and paid while an Arizona resident plus the amount of such gifts from Arizona sources incurred and paid during the part of the year while an Arizona nonresident. A **nonresident** taxpayer must prorate the increased standard deduction by his/her Arizona income ratio computed on page 1, line 18a.

NOTE 2: If you did not itemize deductions on your federal return and reported the allowable deduction (not to exceed \$300) for qualifying charitable contributions on your federal return, you **must** reduce the total 2020 contributions by the amount for which you took the allowable deduction on your federal return. Enter the amount of your federal deduction on line 5C.

NOTE 3: You **must** reduce your contribution amount by the total 2020 contributions for which you are claiming an Arizona tax credit on Form 321 (line 20) and/or Form 352 (line 20) for the current tax year (2020) or claimed on your return for the prior tax year (2019). The prior tax year amounts can be found on line 10 of your 2019 Forms 321 and 352. Enter this amount on line 6C.

NOTE 4: If you itemized deductions on your federal return (1040 Schedule A) and were required to adjust the amount of your allowable contributions on your federal 1040 Schedule A for the amount claimed as a tax credit on your Arizona income tax return, include the amount of the federal contribution adjustment to line 1C and enter the amount of the Arizona tax credit on line 6C.

Complete the worksheet to determine your allowable increased standard deduction for charitable contributions.

Who Should Use Form 140X?

Use the 2020 Arizona Form 140X to correct an individual income tax return (Arizona Form 140, 140A, 140EZ, 140PY, or 140NR) for taxable year 2020, only.

If you are amending a return for any other tax year, use the amended return (Form 140X) that is available for that specific tax year. For example, if you are amending your return for tax year 2018, use the 2018 Arizona Form 140X.

The department will compute the interest and either include it in your refund or bill you for the amount due.

Form 140X will be your new tax return. This return will change your original return to include the new information. The entries you make on Form 140X are the entries you would have made on your original return had it been done correctly.

NOTE: Do not use Form 140X to change an earlier filed Arizona Form 140PTC. To change an earlier filed Form 140PTC, use the Form 140PTC for the year you are changing.

Do not use Form 140X to change an earlier filed Arizona Form 140ET. To change an earlier filed Form 140ET, use the Form 140ET for the year you are changing.

You cannot amend an estimated income tax payment penalty when you reduce your tax on an amended return, unless you file your amended return after filing your original return, and before the due date of that original return.

For more information, see the department's ruling, ITR 02-4, *Amended Return's Effect on the Estimated Tax Payment Underpayment Penalty*.

What Will I Need To Complete Form 140X?

To complete Form 140X, you will need the following:

- A copy of the 2020 tax return you are amending, including supporting forms, schedules, and worksheets.

- Any notices you received from the Internal Revenue Service (IRS) or the department for the tax year you are amending.
- Instructions for the return you are amending. If you have any questions about income items, deductions, or exemptions, you should refer to the 2020 instructions for your original return. If you do not have the instructions for the form you are amending, you can find them online at our website.
- If you are filing an amended return for a previously filed Composite Nonresident Income Tax Return, see the instructions for Form 140NR and the department's ruling, ITR 16-2, *Composite Individual Income Tax Returns*, for guidance on how to report income items, deductions, and exemptions.

Allow 8 to 12 weeks for your Form 140X to process.

You cannot e-file your Arizona amended tax return. You must mail your amended income tax return to the department using the address listed on Form 140X.

AVOID PROCESSING DELAYS: For the proper assembly order, see the mailing instructions for the return you are amending.

When Should I File an Amended Return?

You can file Form 140X only after filing an original return.

You should file your amended return *after* your original return has processed. If you are filing Form 140X for a refund, you must generally file within four years from the date you filed the original return.

If you amend your federal return for 2020, you must also file an Arizona Form 140X for 2020.

If the IRS makes a change to your federal taxable income for 2020, you must report that change to Arizona. You must file the Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. request that the department recompute your tax, *and*
2. indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Attention: Individual Income Audit
Arizona Department of Revenue
PO Box 29084
Phoenix, AZ 85038-9084

When Should I Pay any Tax Owed?

Payment is due in full at the time you file your amended return. If paying by check, make your check payable to Arizona Department of Revenue. Enter your Social Security Number (SSN) and tax year on the front of your check. To make an electronic payment, visit www.AZTaxes.gov.

What if a Taxpayer Died?

If you are a surviving spouse amending a joint return, enter the word "Deceased" after the decedent's name. Also enter the date of death after the decedent's name. Sign your name. Enter "Filing as Surviving Spouse" in the area for the deceased spouse's signature. (If someone else serves as personal representative for your spouse's estate, he or she must also sign the return.)

If a refund is due, complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Include this form on top of your amended return.

Penalties

We will impose a late payment penalty on your amended return if **all** of the following apply:

- you file your amended return after the due date of your original return,
- there is tax due on your amended return, and
- you do not pay that tax when you file the amended return.

Even if you do pay the tax due when you file your amended return, we may impose a late payment penalty if any of the following apply:

- you are under audit by the department, or
- the department has requested or demanded that you file an amended income tax return.

We will also impose a late filing penalty if you did not file your original return on time. These penalties apply to taxes due and remaining unpaid after the due date of the original return. Combined late filing and late payment penalties can go up to 25% (.25) of the unpaid tax.

Interest

We charge interest on any tax not paid by the due date even if you have an extension. We charge interest from the original due date to the date of payment. The Arizona rate of interest is the same as the federal rate. Contact one of the phone numbers listed on page 1 for the current interest rate.

General Instructions

NOTE: You must round dollar amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

The line numbers on the Arizona Form 140X do not match the line numbers on Arizona's individual income tax forms. The proper line on which to enter your change(s) will depend on the nature of the change.

To decide where to enter your changes, use the line descriptions from your original return. To help you, we have included some examples, starting on page 12 of these instructions. If you still need some help, call one of the numbers listed on page 1.

For specific information about tax rates, additions, subtractions, exemptions or deductions, see the form instructions for the year you are amending.

Tax Year

File this form to amend only a 2020 tax return. If you are amending a return for a fiscal year, enter the beginning and ending dates of the fiscal tax year.

Entering Your Name, Address, and Social Security Number (SSN)

Enter your name, SSN, and current address. If you are filing a joint amended return, enter your SSNs in the same order as your first names and in the same order as shown on your original return. *If your name appears first on the return, make sure your SSN is the first number listed.*

If you are changing your filing status from married filing separate to married filing joint and your spouse did not file an original return, enter your name and SSN first.

If you are changing your filing status from married filing separate to married filing joint, you must include your spouse's name and SSN on the second line 1.

Make sure that you put your SSN on every return, statement, or document that you file with the department. Make sure that all SSNs are clear and correct.

You may be subject to a penalty if you fail to include your SSN. It may take longer to process your return if SSNs are missing, incorrect, or unclear.

Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Last Names Used in Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you or your spouse used on returns filed for the last four years, enter any other last name(s) that you or your spouse used when filing your return during that period.

ID Numbers for Paid Preparers

If you pay someone to prepare your return, that person must also include an ID number where requested.

A paid preparer may use any of the following:

- his or her PTIN;
- his or her SSN; or
- the EIN for the business.

A paid preparer who fails to include the proper numbers may also be subject to a penalty.

Filing Status

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single you must file as single or if qualified you may file as head of household (see the instructions for the original form you are amending).

Check the box for the filing status you are using on this amended return.

Box 4a - Injured Spouse Protection of Joint Overpayment

Check box 4a *only* if you and your spouse are filing a joint return (check box 4) and you or your spouse qualify as an injured spouse and are requesting protection from application of any *additional* joint overpayment shown on your amended return against the other spouse’s delinquencies or debts.

NOTE: *You cannot use Form 203 to request protection from offset for past-due federal taxes. You must contact the IRS.*

You **must** complete Arizona Form 203, *Request for Injured Spouse Protection from Application of Joint Overpayment Against Spouse’s Delinquencies and Debts*, and include that form with your tax return, when filed. Place the completed form on top of your income tax return. *For more information, see the instructions for Form 203.*

NOTE: *If you file an amended return, you cannot request protection from offset of any overpayment shown on your original (or last filed amended) income tax return.*

Changing from a joint return to a separate return

If you have an amount due from the joint return that you want to amend, you must pay that amount before you can change your filing status to married filing separate. If we have issued a proposed assessment for that joint return, you must also pay that amount before you can change your filing status.

Changing from a separate return to a joint return

If you or your spouse have an amount due from a separate return that you want to amend, you must pay that amount before you can change your filing status to married filing joint. If we have issued a proposed assessment for either separate return, you must also pay that amount before you can change your filing status.

If you and your spouse are changing from separate returns to a joint return, begin by combining the amounts from your return as originally filed or as previously adjusted (either by you or the department) and the amounts from your spouse’s return as originally filed or adjusted. Then make your changes to the combined amounts.

If your spouse did not file an original return, include your spouse’s income, deductions, credits, etc., to determine the amounts to enter on the appropriate lines of this form.

Generally, if you file a joint return, both you and your spouse have joint and several liability. This means both of you are responsible for the tax and any interest or penalties due on the return, as well as any amount that may become due later. If one spouse does not pay the tax due, the other may have to.

If filing an amended joint tax return, both of you must sign and date Form 140X.

NOTE: If the department changed amounts on your original return, use those amounts. If the department changed amounts on an earlier filed amended return, use those amounts.

Your overpayment may have been distributed or applied by one of the following means.

- You have received all or a portion of the overpayment in the form of a refund.
- You may have applied all or a portion of the overpayment to your next years estimated income taxes.
- You may have applied all or a portion of the overpayment to one of the voluntary gifts on the Arizona income tax return.

- All or a portion of your refund may have been paid to a government agency, court, county, or an incorporated city or town for an obligation owed to that court, county, city, town or agency (e.g., prior year taxes, child support, etc.).

Regardless of how the overpayment was distributed or applied, enter the overpayment amount.

Line 47 - Balance of Credits

Subtract line 46 from line 45. Enter the difference.

Line 48 - Overpayment

If line 40 is less than line 47, subtract line 40 from line 47 and enter the difference.

Line 49 - Amount of Line 48 to be Applied to 2021 Estimated Taxes

If you are filing this amended return prior to the original due date of your 2020 return and you want all or part of the amount on line 48 applied to your 2021 estimated taxes, enter that amount. If you want all of the amount on line 48 refunded, enter zero, "0".

Line 50 - Refund

Subtract line 49 from line 48. Enter the difference. If you owe money to any Arizona state agency, court, county, incorporated city or town and certain federal agencies, your refund may go to pay some of the debt.

TAX TIP: If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, PO Box 29216, Phoenix AZ 85038-9216. Include your SSN in your letter.

Direct Deposit of Refund

Complete this line if you want us to directly deposit the amount shown on line 50 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check.

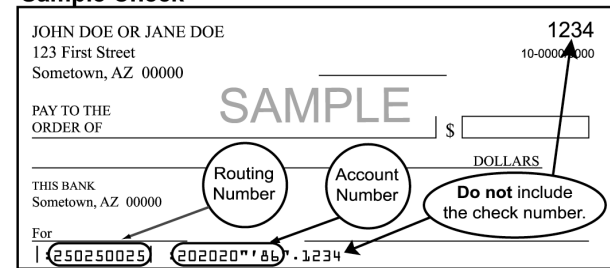

Check the box on line 50A if the direct deposit will ultimately be placed in a foreign account. If you check box 50A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will mail you a check instead.

NOTE: We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted.

Routing Number

MAKE SURE YOU ENTER THE CORRECT ROUTING NUMBER.

Sample Check

Note: The routing and account numbers may be in different places on your check.

The routing number must be nine digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the sample check, the routing number is 250250025.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, do not use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter here.

Account Number

MAKE SURE YOU ENTER THE CORRECT ACCOUNT NUMBER.

The account number can be up to 17 characters (both numbers and letters). DO NOT include hyphens, spaces, or special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check the account number is 20202086. Be sure not to include the check number.

Line 51 - Amount Owed

If line 40 is more than line 47, you owe additional tax. Subtract line 47 from line 40 and enter the difference. You may pay only with a check, electronic check, money order, or credit card. The department will bill you for any interest and penalty due.

Check or money order

NOTE: Include your check or money order with your return. Please do not send cash.

Make your check payable to Arizona Department of Revenue. Write your SSN and tax year on the front of your check or money order and include your payment with Form 140X.

The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the "Make a Payment" link.

Be sure to enter the correct account number and routing number for your checking or savings account. You may be charged a \$50 NSF (non-sufficient funds) fee if you provide an incorrect number. Check with your financial institution to get the correct account and routing number.

The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Credit card payment

You can pay with your Discover, MasterCard, Visa, or American Express credit card. Go to www.AZTaxes.gov and click on the "Make a Payment" link and choose the

credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Examples for Completing Form 140X

The following three examples show how to complete Parts 1 and 2 on page 2 of Form 140X. The examples also show how amounts should be entered on the proper lines on page 1 of Form 140X.

Example 1

Sue, a full year resident, forgot to claim the Dependent Tax Credit on her 2020 original return. Sue is filing this amended return to claim that tax credit. Sue’s son, Joe (age 18), was away at college and Sue did not claim him on her federal income tax return so that Joe could claim a federal education credit.

Because Sue is adding a dependent, Sue must complete Part 1 of page 4, Sue would complete Part 1 as follows:

Page 4, Part 1

| (a) | (b) | (c) | (d) | (e) | | (f) |
|-----------|-------------|--------------|--|----------------------------|-------------------------------------|--|
| Name | SSN | Relationship | No. of months lived in your home in 2020 | Dependent Age Included in: | | Check if you did not claim this person on your federal return due to educational credits |
| | | | | 1 (Box 15a) | 2 (Box 15b) | |
| Joe Smith | 111-11-1111 | Son | 12 | <input type="checkbox"/> | <input checked="" type="checkbox"/> | ✓ |

Part 1(A)

Sue would complete Page 2, Part 1 (A) as follows:

| (a) | (b) | (c) | (d) |
|-----------|--------------------------|---------------------------|------------------|
| Item | Original Amount Reported | Amount to Add or Subtract | Corrected Amount |
| Dependent | 0 | \$25 | \$25 |

Part 2

Sue would complete Part 2 as follows:

Increase to line 38 for Dependent Tax Credit. Increased to reflect dependent not claimed on original return.

Form 140X, page 1

When Sue completes page 1 of Form 140X, Sue would enter “1” on line 15b.

When Sue filed her original return she did not claim her son as a dependent, so when she completes this Form 140X, Sue will enter \$25 (0 + \$25) on Form 140X, page 1, line 38, box 38b.

Example 2

Jane, a full year resident, received a Form 1099INT showing interest income of \$1,500 after she filed her original 2020 return.

Jane is filing this amended return to report that interest income.

Jane's original return, reported a federal adjusted gross income of \$50,000, which included \$2,500 of interest income.

Part 1(A)

Jane would complete form 140X, page 2, Part 1(A) as follows:

| (a) | (b) | (c) | (d) |
|-----------------|--------------------------|---------------------------|------------------|
| Item | Original Amount Reported | Amount to Add or Subtract | Corrected Amount |
| Interest Income | \$2,500 | \$1,500 | \$4,000 |

Part 2

Because the interest income would be included in Jane's federal adjusted gross income, Jane would complete Part 2 as follows:

Line 17, federal adjusted gross income increased by interest income reported on additional Form 1099INT.

Form 140X, page 1

When Jane completes page 1 of Form 140X, Jane would include this interest income in her federal adjusted gross income reported on page 1, line 17.

On Jane's original return, she reported a federal adjusted gross income of \$50,000. On this amended return, Jane will report a federal adjusted gross income \$51,500 (\$50,000 +\$1,500).

Example 3

Sam, a full year resident, took a subtraction from income for Arizona state retirement income on his original 2020 return for \$3,500.

Sam is filing this amended return to claim the allowable subtraction of \$2,500.

Part 1(a)

Sam would complete Part 2(A) as follows.

| (a) | (b) | (c) | (d) |
|-------------------------|--------------------------|---------------------------|------------------|
| Item | Original Amount Reported | Amount to Add or Subtract | Corrected Amount |
| Subtraction From Income | \$3,500 | (\$1,000) | \$2,500 |

Part 2

Sam would complete Part 2 as follows:

Line 22, subtractions from income decreased to reflect the allowable subtraction for Arizona state retirement claimed on original return.

Form 140X, page 1

How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law.

Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax.

A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25% (.25). The department can bring an action at any time if a return is false or fraudulent, or you do not file a return.

To find out more about what records you should keep, get federal Publication 552 at www.irs.gov.

Contacting the Department
