## Important information

Follow these steps to complete your amended Form IT-201-X:

- Complete your Form IT-201-X as if you are filing your return for the first time.
- Carefully review and follow the instructions below. You must enter the same amount of sales and use tax and voluntary contributions from your original return; you cannot change these amounts.
- Do not submit a copy of your original Form IT-201, IT-203, or IT-195 with your amended Form IT-201-X.
- Submit with your amended Form IT-201-X any:
  - **amended** Form IT-196;
  - **amended** credit claim form or other **amended** form (do not submit the original version);
  - **new** credit claim form or any other form that you are filing for the first time with your amended Form IT-201-X; and
  - **original** credit claim form(s) (for example, Forms IT-213, IT-215, and IT-216); withholding form(s) (for example, Form IT-2), and all other form(s) that you submitted with your original return and are not amending (for example, Forms IT-196, IT-201-ATT, and IT-227).

 If you do not submit all the necessary forms with your amended return, we will adjust your return and disallow the amounts claimed on the missing forms.

## General information

You must file an amended 2019 New York State return if:

- You made an error when you filed your original 2019 New York State income tax return.
- The Internal Revenue Service (IRS) made changes to your 2019 federal return.
- You need to file a protective claim for 2019.
- You need to report an NOL carryback for 2019.

See the instructions for 2019 Form IT-201 to determine which amended return to file (Form IT-201-X or IT-203-X).

 Do not file an amended return on Form IT-201-X to protest a paid assessment that was based on a statement of audit changes. If you receive an assessment from the Tax Department, do not file an amended return strictly to protest the assessment. Follow the instructions you receive with the assessment.

To file an amended return, **complete all six pages of Form IT-201-X**, using your original return as a guide, and make any necessary changes to income, deductions, and credits. Use 2019 Form IT-201-I, *Instructions for Form IT-201*, and the specific instructions below to complete Form IT-201-X.

Generally, Form IT-201-X must be filed within three years of the date the original return was filed or within two years of the date the tax was paid, whichever is later. (A return filed early is considered filed on the due date.) Do not file Form IT-201-X unless you have already filed your original return.

If you file an amended federal return to make changes to your federal income, total taxable amount, capital gain or ordinary income portion of a lump-sum distribution, the amount of your earned income credit or credit for child and dependent care expenses, or the amount of your foreign tax credit affecting the computation of the resident credit for taxes paid to a province of

Canada, you must also file an amended New York State return within 90 days of the date you amend your federal return. If the IRS changes any of these items, report these changes to the New York State Tax Department on an amended return within 90 days of the IRS final determination. If you do not agree with the IRS determination, you must still file an amended state return indicating your disagreement. To report changes for a tax year prior to 1988, use Form IT-115, *Report of Federal Changes*.

If you file an amended return to report an NOL carryback, you must generally file Form IT-201-X within three years from the date the loss year return was due (including any extensions).

## Specific instructions

Use the 2019 Form IT-201 instructions when completing Form IT-201-X, **along with the following specific line instructions**. If you are amending any credit claim form or other form, or are using any credit claim form or other form for the first time, write **Amended** across the top of that form and submit it with your amended return. Any other credit claim form or other form that you submitted with your original return (including Form IT-196 or Form IT-227) must also be submitted with your amended return.

## Entering whole dollar amounts

When entering amounts on this form, enter whole dollar amounts only (zeros have been preprinted). Do not write in dollar signs or commas when making entries. Use the following rounding rules when entering your amounts; drop amounts below 50 cents and increase amounts from 50 to 99 cents to the next dollar. For example, \$1.39 becomes \$1 and \$2.50 becomes \$3.

## Item D1 – Amended federal return

You must mark an **X** in the Yes or No box.

## Item G – Special condition code

If you entered a special condition code(s) on your original return, enter the same code(s).

In addition, if you qualify for one or more of the special conditions below, enter the 2-character code(s).

### Code A6

Enter this code if you are filing Form IT-201-X to reduce your NYAGI for Build America Bond interest included in your FAGI.

### Code C7

Enter this code if you now qualify for an extension of time to file and pay your tax due under the combat zone or contingency operation relief provisions. See Publication 361, *New York State Income Tax Information for Military Personnel and Veterans*.

### Code 56

Enter this code if you are filing Form IT-201-X to report a theft loss for a Ponzi-type fraudulent investment.

### Code P2

Enter this code if you are filing Form IT-201-X to file a *protective claim*. Also, be sure to mark an **X** in the line 83k box.

### Code N3

Enter this code if you are filing Form IT-201-X to report an **NOL**. Also, be sure to mark an **X** in the line 83I box and complete the information requested for the loss year. For more information on claiming an NOL carryback, see the instructions for Form IT-201 and Publication 145, *Net Operating Losses (NOLs) for New York State Resident Individuals, Estates, and Trusts*.

### Code M4

Enter this code if as a civilian spouse of a military servicemember you are making an election to use the same state of legal residence as the servicemember for state income tax purposes. For additional information, see TSB-M-19(3)I, *Veterans Benefits and Transition Act of 2018*, available on our website.

### Line 34 – Standard or itemized deduction

**Standard deduction:** If you are claiming the standard deduction on your amended return, enter the appropriate amount, for your filing status, from the table on page 3 of Form IT-201-X.

**Itemized deduction:** If you are claiming the New York itemized deduction on your original and amended return and you meet **all three** of the following conditions, submit a copy of your original Form IT-196:

- You are not amending your New York State itemized deductions.
- Your NYAGI on your original **and** amended returns is \$100,000 or less.
- You are not claiming the college tuition itemized deduction.

If you do not meet **all** of the above conditions, you must recalculate your New York State itemized deduction using new Form IT-196.

If you are reporting an NOL carryback and you were subject to the New York itemized deduction adjustment on your original 2019 Form IT-196, you should recompute your New York itemized deduction adjustment to reflect the decrease in your NYAGI.

### Line 59 – Sales or use tax

Enter the amount of New York State and local sales or use tax you reported on your original return. **You cannot change the amount of sales or use tax you owe using Form IT-201-X.** If you need to increase the amount of sales or use tax paid with your original return, you must file Form ST-140, *Individual Purchaser's Annual Report of Sales and Use Tax*. If you are entitled to a refund of any amount you originally paid, you must file Form AU-11, *Application for Credit or Refund of Sales or Use Tax*.

### Line 60 – Voluntary contributions

Enter the **total** amount of voluntary contributions you reported on your original return. This amount should be the same as the **total** reported on your original Form IT-227, *New York State Voluntary Contributions*. If the voluntary contributions you reported on your original Form IT-227 were previously adjusted by the Tax Department, enter the total adjusted amount on this line. **You cannot change the amount of your contributions as reported (or adjusted) on your original return or original Form IT-227.** You must submit your original Form IT-227 with your amended Form IT-201-X.

### Line 76 – Amount paid with original return, plus additional tax paid after your original return was filed

From your original Form IT-201, line 80 (or Form IT-203, line 70). If you paid additional amounts since your original return was

filed, also include these payments on line 76. If you did not pay the entire balance due shown on your original return, enter the actual amount that was paid. **Do not include payments of interest or penalties.**

### Line 78 – Overpayment, if any, as shown on original return

From your original Form IT-201, line 77 (or Form IT-203, line 67). If the overpayment claimed on your original return was previously adjusted by the Tax Department, enter the adjusted overpayment on this line. **Do not include interest you received on any refund.**

### Line 78a – Amount from original return

If you filed Form IT-203, enter the amount from Form IT-203, line 69.

### Line 80 – Refund

If line 79 is more than line 62, subtract line 62 from line 79; this is your refund amount. You have two ways to receive your refund. You can choose **direct deposit** to have the funds deposited directly into your bank account (the fastest option for most filers), or you can choose to have a **paper check** mailed to you. Mark an **X** in one box to indicate your choice.

## Refund options

**Direct deposit** – If you choose **direct deposit**, enter your account information on line 82 for a fast and secure direct deposit of your refund. If you do not enter complete and correct account information at line 82, we will mail you a paper check.

**Paper check refunds** – We will mail your refund check to the mailing address on your return. Paper checks for joint filers will be issued with both names and must be signed by both spouses. Paper checks take weeks to be processed, printed, and mailed. If you do not have a bank account, you will likely be charged a fee to cash your check.

### Line 81 – Amount you owe

Enter on line 81 the amount of tax you owe.

## Payment options

### By automatic bank withdrawal

You may authorize the Tax Department to make an electronic funds withdrawal from your bank account either by completing line 82, or on our website.

This payment option is not available if the funds for your payment would come from an account outside the U.S. (see *Note* below).

If you choose to complete line 82 to pay by electronic funds withdrawal, mark an **X** in the box, enter your account information on lines 82a through 82c, and enter your electronic funds withdrawal information on line 82d.

### By check or money order

If you owe more than one dollar, submit Form IT-201-V, *Payment Voucher for Income Tax Returns*, and full payment with your return. Make your check or money order payable in U.S. funds to **New York State Income Tax**, and write the last four digits of your Social Security number and **2019 Income Tax** on it. Do not send cash.

**Interest** – If a balance due is shown on your amended return, include the interest amount on line 81. Compute the interest by accessing our website or call 518-457-5181, and we will compute the interest for you. Include with your payment any interest computed.

**Fee for payments returned by banks** – The law allows the Tax Department to charge a \$50 fee when a check, money order, or electronic payment is returned by a bank for nonpayment. However, if an electronic payment is returned as a result of an error by the bank or the department, the department will not charge the fee.

If your payment is returned, we will send a separate bill for \$50 for each return or other tax document associated with the returned payment.

### Line 82 – Account information

If you marked the box that indicates your payment (or refund) would come from (or go to) an account outside the U.S., **stop**. Do not complete lines 82a through 82d (see *Note* below). **All others**, supply the information requested.

**Note:** Banking rules prohibit us from honoring requests for electronic funds withdrawal or direct deposit when the funds for your payment (or refund) would come from (or go to) an account outside the U.S. Therefore, if you marked this box, you must pay any amount you owe by check or money order (see above); or if you are requesting a refund, we will send your refund to the mailing address on your return.

**The following requirements apply to both direct deposit and electronic funds withdrawal:**

 Use the sample image as a guide; enter your own information **exactly** as it appears on your own check or bank records. Do **not** enter the information from the sample check below.

On **line 82a**, mark an **X** in the box for the type of account.

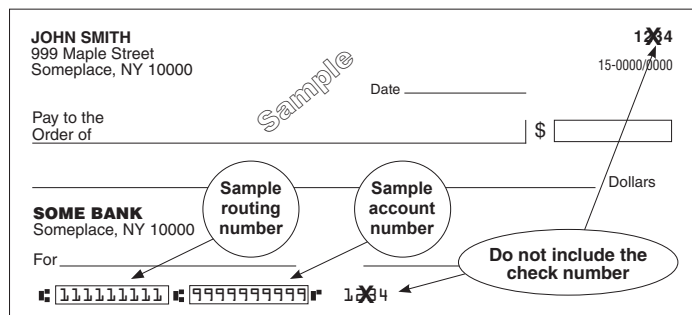

On **line 82b**, enter your bank's 9-digit routing number (refer to your check or contact your bank). The first two digits always begin with 01 through 12, or 21 through 32. On the sample check below, the routing number is 111111111.

**Note:** If your check states that it is payable through a bank different from the one where you have your checking account, do not use the routing number on that check. Instead, contact your bank for the correct routing number to enter on line 82b.

On **line 82c**, enter **your** account number.

- If you marked personal or business checking on line 82a, enter the account number shown on your checks.
- If you marked personal or business savings on line 82a, enter your savings account number from a preprinted savings account deposit slip, your passbook or other bank records, or from your bank.

The account number can be up to 17 characters (both numbers and letters). Include hyphens (-) but omit spaces and special symbols. Enter the number from left to right. On the sample check below, the account number is 9999999999.

The image shows a sample check from JOHN SMITH, 999 Maple Street, Someplace, NY 10000. The check is dated 12/31/15 and is payable to the order of \$15,000.00. The bank is SOME BANK, Someplace, NY 10000. The routing number is 111111111 and the account number is 9999999999. A note indicates that the check number (1234) should not be included. The check number is circled and labeled 'Do not include the check number'.

**Note:** The routing and account numbers may appear in different places on your check.

Contact your bank if you need to verify routing and account numbers or confirm that it will accept your direct deposit or process your electronic funds withdrawal.

If you encounter any problem with direct deposit to, or electronic withdrawal from, your account, call 518-457-5181. Allow six to eight weeks for processing your return.

### Line 82d – Electronic funds withdrawal

Enter the date you want the Tax Department to make an electronic funds withdrawal from your bank account and the amount from line 81 you want electronically withdrawn. If you are amending your return prior to the original due date (generally April 15), enter a date that is on or before the due date of your return. If we receive your amended return after the original return due date or you do not enter a date, we will withdraw the funds on the day we accept your return.

Your confirmation will be your bank statement that includes a *NYS Tax Payment* line item.

We will only withdraw the amount that you authorize. If we determine that the amount you owe is different from the amount claimed on your return, we will issue you a refund for any amount overpaid or send you a bill for any additional amount owed, **which may include penalty and interest**.

You may revoke your electronic funds withdrawal authorization only by contacting the Tax Department at least 5 business days before the payment date.

 If you complete the entries for electronic funds withdrawal, **do not** send a check or money order for the same amount due unless you receive a notice.

### Line 83k – Protective claim

If you marked the *Protective claim* box, be sure you have entered code **P2** at item G on the front of your Form IT-201-X. Complete your amended return in full assuming that the item(s) that is the subject of the protective claim is eligible for refund. A *protective claim* is a refund claim that is based on an unresolved issue(s) that involves the Tax Department or another taxing jurisdiction that may affect your New York tax(es). The purpose of filing a protective claim is to protect any potential overpayment for a tax year for which the statute of limitations is due to expire.

### Line 83l – Net operating loss

If you marked the *Net operating loss* box, you **must** enter the year of the loss at line 83l and enter code **N3** at item G on the front of your Form IT-201-X.

You must file Form IT-201-X to claim an NOL carryback within three years from the date the loss year return was due (including any extensions).

### Submit all of the following with your Form IT-201-X:

- A copy of your federal Form 1040 and Schedule A, if applicable, for the **loss year**. In addition, provide any schedules or statements that are related to your loss. If your NOL will have an effect on more than one tax year, this federal information must only be submitted with the amended return for the first carryback year.
- A copy of your federal NOL computation, including federal Form 1045 and all related schedules. You do not have to include the alternative minimum tax NOL computation.
- A copy of your original federal Form 1040 and Schedule A, if applicable, for the **carryback year**. No additional schedules/statements are required.
- A copy of any federal documentation (if available) showing the IRS has accepted your NOL carryback claim.

**Line 83m – Report Social Security number**

If you filed your original return using either an individual taxpayer identification number (ITIN) or a New York State temporary identification number (with a TF prefix) and have received a Social Security number (SSN), **then** mark the box, enter the identification number used on your original return, and enter the date when the SSN was issued.

If you received notification (Form TR-298) from the Tax Department that you were assigned a temporary identification number, follow the instructions in that notice to report your valid identification number (SSN or ITIN) to us. Do not file Form IT-201-X to report only your new identification number.

**Line 83n – Other**

If you marked the *Other* box, include an explanation of the change on the explanation line at line 83n (for example, you are changing your New York State dependent exemption amount). If you need additional room, submit a separate sheet with your explanation. Include your name and SSN on the additional sheet.

**Line 83o – Partnership or S corporation**

If you marked a box at line 83o, give the partnership's or S corporation's name, identifying number, principal business activity, and address.

**Lines 84 through 91**

If you marked the line 83a box and are reporting changes made by the IRS, complete lines 84 through 91 by entering the information requested as it appears on your final federal report of examination changes. Use a minus sign to show any decreases.

**Important:** Fully explain the changes you are making on Form IT-201-X. Submit any schedules or forms that apply, along with any available federal documentation. Documentation may include, but is not limited to, copies of: your federal Form 1040X; federal acceptance of your amended federal return (include copies of the refund check, if applicable); amended federal Schedule B, Schedule C, or Schedule D; and revised federal Schedule K-1. Failure to include this information when filing Form IT-201-X may delay the processing of your return or the issuance of your refund.
