

2022 FORM 760ES

VIRGINIA ESTIMATED INCOME TAX PAYMENT VOUCHERS FOR INDIVIDUALS

Form 760ES Vouchers and Instructions

www.tax.virginia.gov

Effective for payments made on and after July 1, 2021, individuals must submit all income tax payments electronically if any payment exceeds \$2,500 or the sum of all payments is expected to exceed \$10,000. This includes estimated, extension, and return payments. Visit our website at www.tax.virginia.gov for information on electronic payment options.

Form 760ES is used by individuals to make estimated income tax payments. Filing is required only for individuals whose income and net tax due exceed the amounts specified in Section I. If you are required to make estimated income tax payments, but do not, you may be liable for an additional charge, which is explained in Section VIII. Information on when to file is in Section II. Estates, trusts and unified nonresident composite return filers should use Form 770ES.

I. FILING REQUIREMENTS - INDIVIDUALS

If your Virginia income tax liability, after subtracting income tax withheld and any allowable credits, is expected to be more than \$150, then you must make estimated tax payments or have additional income tax withheld throughout the year from your wages or other income.

Farmers, fishermen and merchant seamen with $\frac{2}{3}$ of their estimated Virginia gross income from self-employed farming, fishing or being a merchant seaman have special filing requirements, which allow them to make fewer payments. See Farmers, Fishermen and Merchant Seamen in Section II for more information.

You are not required to make estimated tax payments if:

- you are single and your expected Virginia adjusted gross income (Line 1, Estimated Income Tax Worksheet on Page 3) is less than \$11,950;
- you are married, filing jointly and your combined expected Virginia adjusted gross income (Line 1, Estimated Income Tax Worksheet on Page 3) is less than \$23,900;
- you are married, filing separately, and your separate expected Virginia adjusted gross income (Line 1, Estimated Income Tax Worksheet on Page 3) is less than \$11,950; or
- your expected estimated tax liability exceeds your withholding and tax credits by \$150 or less.

II. WHEN TO FILE

Make estimated payments online or file Form 760ES Payment Voucher 1 by May 1, 2022. Estimated income tax payments must be made in full on or before May 1, 2022, or in equal installments on or before May 1, 2022, June 15, 2022, September 15, 2022, and January 15, 2023.

When the last day on which a tax return may be filed or a tax may be paid falls on a Saturday, Sunday or legal holiday, you may file and make payment without penalty or interest on the next succeeding business day.

Complete the worksheet and make payments in accordance with the instructions on the vouchers. If you overpaid your 2021 income tax and chose to apply the overpayment to your 2022 estimated income tax, that overpayment may be partially or fully applied to any installment.

FARMERS, FISHERMEN and MERCHANT SEAMEN

If the qualifications of a farmer, fisherman or merchant seaman are met, you only need to file Payment Voucher 4 by January 15, 2023. If you file your 2022 income tax return on or before March 1, 2023, and pay the entire tax at that time, you are not required to file Form 760ES for 2022.

III. HOW TO ESTIMATE

You must pay least 90% of your tax liability during the year by having income tax withheld and/or making timely payments of estimated tax. Worksheets are available on the Department's website to help you determine if you are required to make estimated payments. Use the Tax Rate Schedule on the following page for additional information and guidance. Refer to the instructions for the return that you will file.

If you are required to make estimated payments and file Form 760ES, complete the form using the payment amount from Line 15 of the Estimated Income Tax Worksheet For Individuals. When filing each voucher, include your check or money order for the amount computed for the quarter.

If your expected Virginia adjusted gross income changes during the year, recompute your estimated tax to determine how much your remaining payments should increase or decrease. When making your next Form 760ES payment, enter the new amount of estimated income tax due for the quarter.

TAX RATE SCHEDULE

IF YOUR VIRGINIA TAXABLE INCOME IS:					
Not over \$3,000, your tax is 2% of your Virginia taxable income.					
over...	but not over...	your tax is...			of excess over...
\$ 3,000	\$ 5,000	\$ 60	+	3%	\$ 3,000
\$ 5,000	\$ 17,000	\$ 120	+	5%	\$ 5,000
\$ 17,000		\$ 720	+	5.75%	\$ 17,000

TAX CREDITS and ADJUSTMENTS

You may claim an expected tax credit or adjustment on the worksheet if:

- you are a resident of Virginia and you will pay income tax to another state as a nonresident, except for the states of **Arizona, California, Oregon** or the **District of Columbia**;

- (b) you are a resident of one or more of the states listed above and you will pay income tax to Virginia as a nonresident;
- (c) you expect to qualify for one of the other available individual income tax credits; or
- (d) you qualify for the Spouse Tax Adjustment on Form 760.

For more information on determining if you qualify for any credits, see the instructions for the Virginia income tax return that you expect to file.

The personal exemptions, itemized or standard deductions and the child and dependent care deductions, if claimed, must be adjusted if you are a part-year resident. Refer to the Form 760PY instructions for details on computing these items. Itemized deductions may be adjusted by Fixed Date Conformity items. Refer to the income tax instructions for further information.

IV. CHANGES IN INCOME OR EXEMPTIONS

Even if you do not expect your income from sources other than wages on which Virginia tax is withheld for 2022 to be large enough to require making estimated income tax payments as of May 1, 2022, a change in income, deductions or exemptions may require you to file later in the year. If you later determine that you need to file, see the PAYMENT SCHEDULE.

If you file your 2022 income tax return and pay the balance of tax due in full by March 1, 2023, you are not required to make the estimated tax payment that would normally be due on January 15, 2022. If you file your return after March 1 without making the January payment, or if you have not paid the proper amount of estimated tax on any earlier due date, you may be liable for an additional charge for underpayment of estimated tax, computed on Form 760C. See Section VIII and the Form 760C instructions for more information.

V. WHO MAY FILE A JOINT FORM 760ES

Spouses may file a joint declaration unless (a) they are legally separated or divorced, (b) they have different taxable years, or (c) one spouse is a nonresident of Virginia (unless both are required to file a Virginia return).

If you file a joint Form 760ES, but do not file a joint income tax return, the estimated tax may be treated as the estimated tax of either spouse, or may be divided between both spouses as mutually agreed. Be sure to include the social security number for both spouses.

VI. WHERE TO FILE

Electronic Filing: The Department provides two secure online options for submitting estimated payments: eForms and Individual Online Payments. Payments are made by Debit EFT and you may schedule your payment for a future date.

Estimated payments may also be made using an ACH Credit transaction through your bank. Some banks may charge a fee

for this service. An Electronic Payment Guide is available on the Department's website with information on how to submit ACH Credit payments to the Department.

Mail: If you choose not to file online, you may send your voucher and payment directly to the **Department of Taxation, P.O. Box 1478, Richmond, VA 23218** or to the Virginia city or county where you live. A complete list of addresses is at the end of this document.

If you are a nonresident, file with the Department of Taxation or with the Virginia city or county in which the principal portion of the income from Virginia sources was received.

VII. WHERE TO GET HELP AND FORMS

If you need assistance completing your return, call or visit the Commissioner of the Revenue, Director of Finance or Director of Tax Administration for your city or county or the Department of Taxation. Requests for information may also be addressed to the: **Virginia Department of Taxation, P.O. Box 1115, Richmond, VA 23218-1115**, or call **804-367-8031**. **Do not mail your income tax return to this address.**

Forms may be downloaded from the Department's website or requests may be addressed to: **Virginia Department of Taxation, P.O. Box 1317, Richmond, VA 23218-1317**, or call **804-367-8031**. **Do not mail your income tax return to this address.**

Visit the Department's website, www.tax.virginia.gov, where you can obtain filing information, get answers to common questions, download forms and more.

VIII. UNDERPAYMENT OF ESTIMATED INCOME TAX

Generally, an addition to tax is imposed by law if at least 90% (66²/₃% if you are a farmer, fisherman or merchant seaman) of your total tax liability is not paid throughout the year by timely withholding and/or installments of estimated tax. The addition to tax does not apply if each required installment is paid on time and meets one of the following exceptions:

- (a) is at least 90% (66²/₃% if you are a farmer, fisherman or merchant seaman) of the amount due on the basis of annualized income;
- (b) is at least 90% (66²/₃% if you are a farmer, fisherman or merchant seaman) of the amount due on the basis of the actual taxable income;
- (c) is based on a tax computed by using your income for the preceding taxable year and the current year's tax rates and exemptions;
- (d) is equal to or exceeds the prior year's tax liability for each installment period and the prior year return was for a full year and reflected an income tax liability; or
- (e) the sum of all installment underpayments for the taxable year is \$150 or less.

If you do not meet an exception, your underpayment computation will be based on 90% of the current year's income tax liability or 100% of your liability for the preceding year, whichever is less. The addition to tax is computed on Form 760C (Form 760F for farmers, fishermen or merchant seamen).
