2022 Schedule KS Instructions

Shareholder's use of information provided on Schedule KS

Purpose of Schedule KS

Schedule KS is a supplemental schedule provided by the S corporation to its shareholders. The shareholders need this information to complete:

- Form M1, *Minnesota Individual Income Tax Return*
- Form M2, *Minnesota Income Tax Return for Estates and Trusts*
- Form M2SB, *Minnesota Income Tax Computation for S Portion of ESBT*

An individual shareholder who is a Minnesota resident will be taxed by Minnesota on all of his or her distributive income from the S corporation even if the income is apportioned between Minnesota and other states. An estate, trust, and individual nonresident shareholder will be taxed on the Minnesota distributive income from the S corporation.

These instructions are intended to help you report your share of the S corporation's income, credits and modifications on your Minnesota return.

You must include Schedule KS when you file your Form M1 and Form M2. If you do not include the schedule with your return as required, the department will disallow any credits and assess the tax or reduce your refund.

If you received an amended Schedule KS from the S corporation and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return* or Form M2X, *Amended Income Tax Return for Estates and Trusts*.
